## NO FIRES ALLOWED IN CONTAINERS

## LEVEL LOADS ONLY

### **CUSTOMERS MUST LIGHT CONTAINERS DURING THE HOURS OF DARKNESS**

**THIS CONTAINER IS HIRED BY US SUBJECT TO THE CONDITIONS STATED BELOW AND THE CUSTOMER'S SIGNATURE OVERLEAF SIGNIFIES AGREEMENT TO THESE CONDITIONS.**

1. Customers warrant that with respect to each container ordered to be placed other than on private property the permission of the Highways Authority has been duly obtained under Section 139 of the Highways Act 1980 and customers undertake that they will ensure that all conditions subject to which the aforesaid permission is granted shall be observed at all times and in particular will secure that the container will be properly lighted during the hours of darkness.
2. Customers requesting or ordering vehicles or collecting containers to leave the public highway shall reimburse us in full in respect of any loss, costs, claims, damages or expenses we may thereby sustain whether as a result of damage to the vehicles themselves or the property of customers or third parties.
3. Customers shall reimburse us in respect of any losses or damage to the containers whilst on hire to them from whatsoever cause the same may arise (fair wear and tear excepted). They shall also fully indemnify us in respect of any claims for injury to persons or property arising from out of the use of the containers whilst on hire to them howsoever the same may be caused or arise.
4. In addition to customers undertaking to observe at all times the conditions subject to which the permission of the Highway Authority is granted as aforesaid (including in particular the provision of lamps and traffic cones) if containers are sited anywhere else where they are likely to be a contributory cause of damage or injury to third parties during the hours of darkness customers shall provide adequate warning light on the containers and they shall also ensure the safe loading of materials into the containers.
5. The Duty of Care (EPA 1990) requires you to ensure that once this container is loaded, it is secured with an adequate cover.
6. Customers requesting containers placed on their property, do so at their own risk. We shall accept no claims for damage to property caused by off loading/loading containers.

#### **ENVIRONMENTAL PROTECTION ACT 1990 DUTY OF CARE ETC. AS RESPECTS WASTE**

1. subject to subsection (2) below, it shall be the duty of any person who imports, produces, carries, keeps, treats or disposes of controlled waste or, as a broker, has control of such waste, to take all such measures applicable to him in that capacity as are reasonable in the circumstances -
  - a) to prevent any contravention by any other person of section 33
  - b) to prevent the escape of waste from his control or that of any person, and
  - c) on the transfer of the waste to secure -
    - i) That the transfer is only to an authorised person or to a person for authorised transport purposes, and
    - ii) that there is transferred such a written description of the waste as will enable other persons to avoid a contravention of that section and to comply with the duty under this subsection as respects the escape of waste.
2. The duty imposed by subsection (1) above does not apply to an occupier of domestic property as respects the household waste product on the property.
3. The following are authorised persons for the purpose of subsection (1)(c) above -
  - a) any authority which is a waste collection authority for the purposes of this part.
  - b) any person who is the holder of a waste management licence under section 35 or a disposal licence under section 5 of the Control of Pollution Act 1974.
  - c) any person to whom section 33(1) above does not apply by virtue of regulations under subsection (3) of that section.
  - d) any person registered as a carrier of controlled waste under section 2 of the Control of Pollution (Amendment) Act 1989.
  - e) any person who is not required to be so registered by virtue of regulations under section 1(3) of that Act, and
  - f) a waste disposal authority in Scotland.
4. The following are authorised transport purposes for the subsection (1)(c) above -
  - a) the transport of controlled waste within the same premises between different places in those premises.
  - b) the transport to a place in Great Britain of controlled waste which has been brought from a country or territory outside Great Britain not having been landed in Great Britain until it arrives at that place, and
  - c) the transport by air or sea of controlled waste from a place in Great Britain to a place outside Great Britain.
5. The Secretary of State may by regulations, make provision imposing requirements on any person who is subject to the duty imposed by subsection (1) above as respects the making and retention of documents and the furnishing of documents or copies of documents.
6. Any person who fails to comply with the duty imposed by subsection (1) above or with any requirement imposed under subsection (5) above shall be liable -
  - a) on summary conviction, to a fine not exceeding the statutory maximum, and
  - b) on conviction on indictment, to a fine.
7. The Secretary of State shall after consultation with such persons or bodies as appear to him representative of the interests concerned, prepare and issue a code of practice for the purposes of providing to persons practical guidance on how to discharge the duty imposed on them by subsection (1) above.
8. The Secretary of State may from time to time revise a code of practice issued under subsection (7) above by revoking, amending or adding to the provisions of the code.
9. The code of practice prepared in pursuance of subsection (7) above shall be laid before both Houses of Parliament.
10. A code of practice issued under subsection (7) above shall be admissible by evidence and if any provision of such a code appear to the court to be relevant to any question arising in the proceedings it shall be taken into account in determining that question.
11. Different codes of practice may be prepared and issued under subsection (7) above for different areas.

The Duty of Care Act - Environmental Protection Act 1990, requires you, as producers of waste to be aware of, and us as processors and ultimately the disposers of your waste, to bring to your attention the type of waste we are able to handle without prior special arrangements to be made.
